

# Whangarei District Forward Work Programme

## Catchment Area: Tutukaka Coast / Old Russell Road

**When:** End 2020 timed to coincide with FNDC Review of Old Russell Road.

**Why:** The Tutukaka Coastal Roads have increased seasonal and holiday traffic. The Whangarei – Ngunguru Road is rated within the top 5% priority rating.

## Catchment Area: Whangarei Heads and Parua Bay

**When:** Mid 2020

**Why:** Whangarei Heads Road is rated within the top 5% priority rating. There is strong support in our Harbour communities, particularly in Parua Bay.

## Catchment Areas: Waipu Urban Traffic Area / Nova Scotia Drive; Ruakaka; One Tree Point; Vinegar Hill

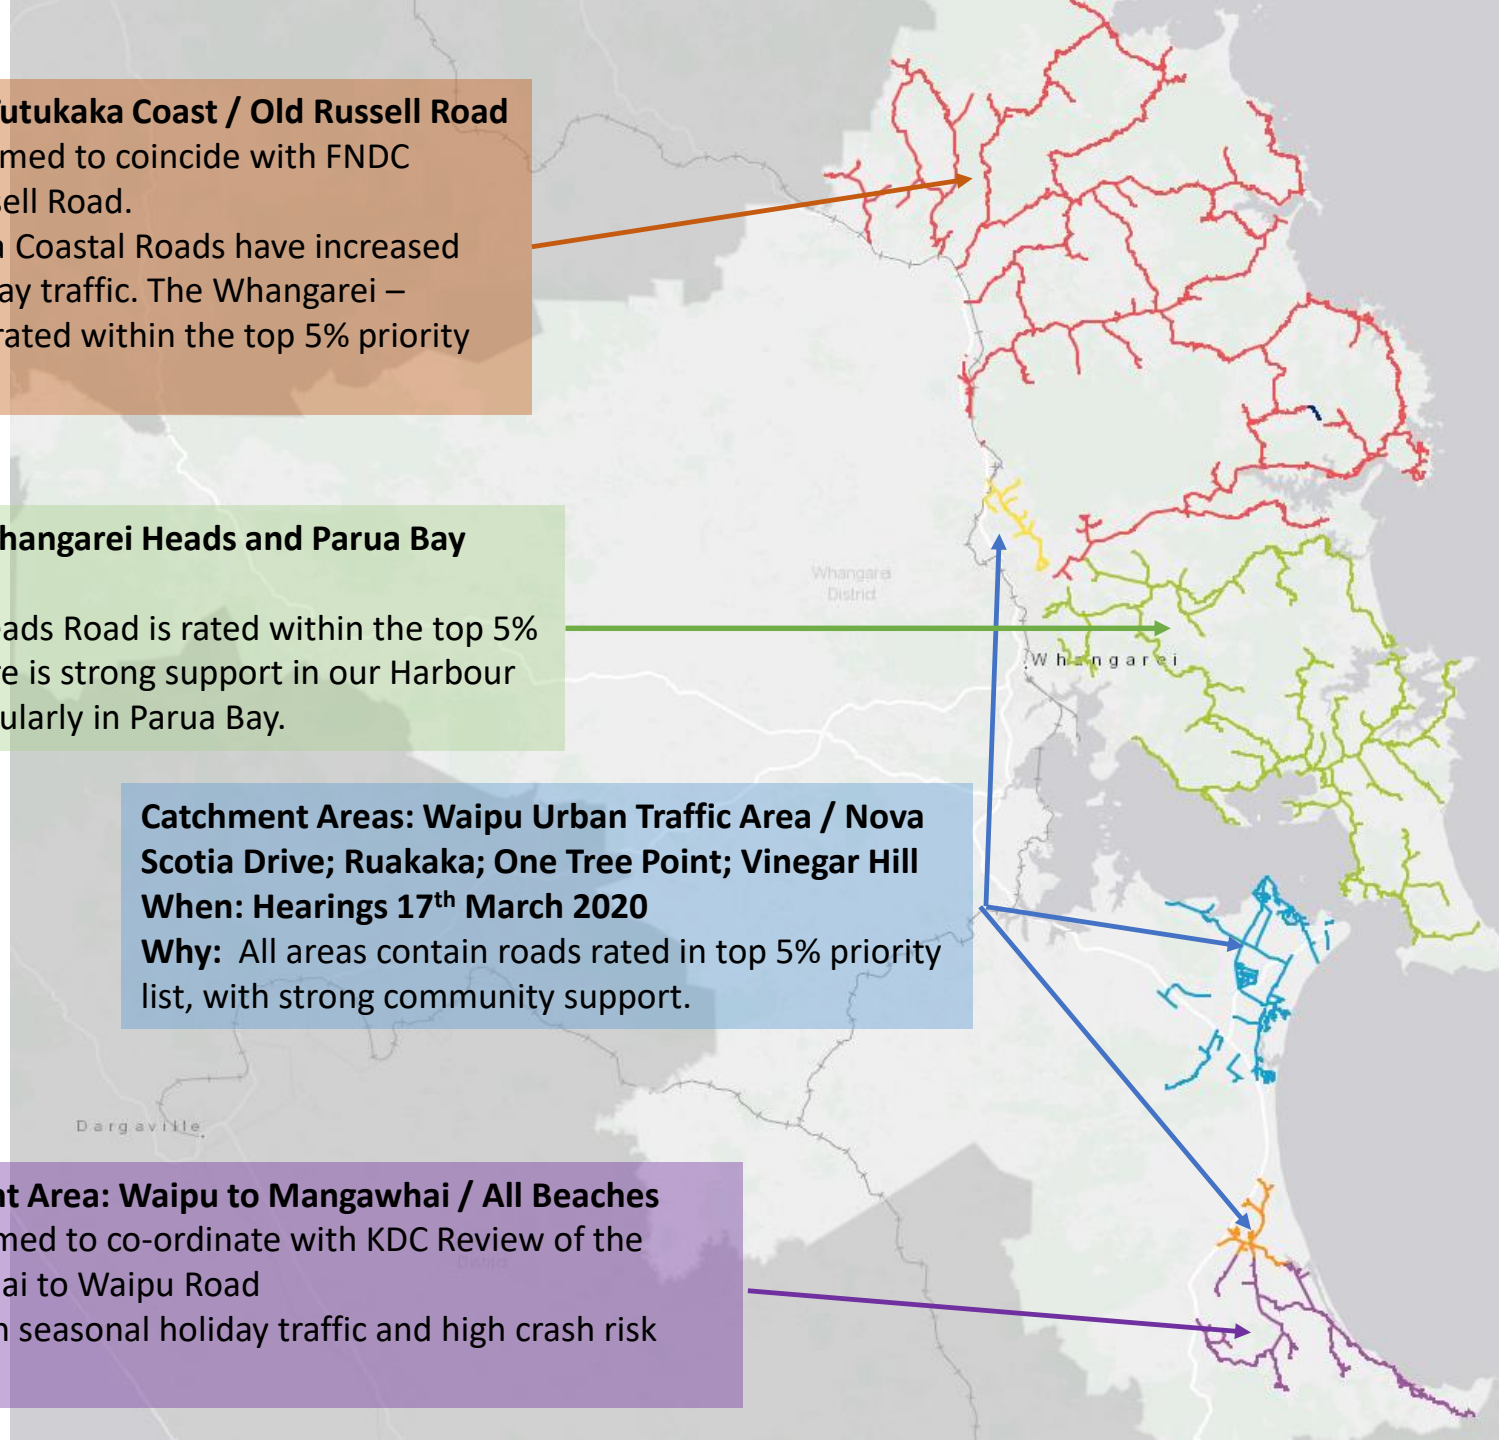

**When:** Hearings 17<sup>th</sup> March 2020

**Why:** All areas contain roads rated in top 5% priority list, with strong community support.

## Catchment Area: Waipu to Mangawhai / All Beaches

**When:** Timed to co-ordinate with KDC Review of the Mangawhai to Waipu Road

**Why:** High seasonal holiday traffic and high crash risk rating.

# Whangarei Heads Catchment

- Complex Catchment – although many roads are self explaining
- Small Coastal / Harbour Communities
- Seasonal issues

## Community Engagement

- Targeted consultation
- Need for community meetings
- Speed limits may be only part of the solution
